Journal of Midwifery and Health Sciences

Ebelik ve Sağlık Bilimleri Dergisi

AIMS AND SCOPE

Journal of Midwifery and Health Sciences is a scientific, open access periodical published in accordance with independent, unbiased, and double-blinded peer-review principles. The journal is the official online-only publication of Atatürk University Faculty of Health Sciences, and it is published triannually in April, August and December. The publication language of the journal is Turkish and English.

The aim of the journal is to publish original research papers of the highest scientific and clinical value in nursing research, practice, education, and management issues. Journal of Midwifery and Health Sciences also publishes reviews, rare case report and letters to the editors.

The target audience of the journal includes nurses, academicians, clinical researchers, medical/health professionals, students, nursing professionals and related professional and academic bodies and institutions.

Journal of Midwifery and Health Sciences currently indexed in China National Knowledge Infrastructure (CNKI).

The editorial and publication processes of the journal are shaped in accordance with the guidelines of the International Committee of Medical Journal Editors (ICMJE), World Association of Medical Editors (WAME), Council of Science Editors (CSE), Committee on Publication Ethics (COPE), European Association of Science Editors (EASE), and National Information Standards Organization (NISO). The journal is in conformity with the Principles of Transparency and Best Practice in Scholarly Publishing (doaj.org/bestpractice).

All expenses of the journal are covered by the Atatürk University Faculty of Health Sciences. Processing and publication are free of charge with the journal. No fees are requested from the authors at any point throughout the evaluation and publication process. All manuscripts must be submitted via the online submission system, which is available at <https://midwifery-ataunipress.org/EN>. The journal guidelines, technical information, and the required forms are available on the journal's web page.

Statements or opinions expressed in the manuscripts published in the journal reflect the views of the author(s) and not the opinions of the Atatürk University Faculty of Health Sciences, editors, editorial board, and/or publisher; the editors, editorial board, and publisher disclaim any responsibility or liability for such materials.

Journal of Midwifery and Health Sciences is an open access publication, and the journal's publication model is based on Budapest Open Access Initiative (BOAI) declaration. Journal's archive is available online, free of charge at <https://midwifery-ataunipress.org/EN>. Authors retain the copyright of their published work in the Journal of Midwifery and Health Sciences. The journal's content is licensed under a Creative Commons Attribution-NonCommercial (CC BY-NC) 4.0 International License.

You can find the current version of the Instructions to Authors at <https://midwifery-ataunipress.org/>
